**Martin Bohner** is the Curators' Professor of Mathematics and Statistics at Missouri University of Science and Technology in Rolla, Missouri, USA. He received the BS (1989) and MS (1993) in Econo-mathematics and PhD (1995) from University Ulm, Germany, and MS (1992) in Applied Mathematics from San Diego State University. He was a Postdoc, sponsored by the Alexander von Humboldt-Foundation, at National University of Singapore (1997) and at San Diego State University (1998). His research interests center around differential, difference, and dynamic equations as well as their applications to economics, finance, biology, physics, and engineering. He is the author of four textbooks and more than 200 publications, Editor-in-Chief of two international journals, Associate Editor for more than 50 international journals, and the President of ISDE, the International Society of Difference Equations. His work has been cited almost 10000 times in the literature, including more than 2500 citations of his book "Dynamic Equations on Time Scales: An Introduction with Applications", co-authored with Professor Allan Peterson. Professor Bohner's honors at Missouri S&T include five Faculty Excellence Awards, one Faculty Research Award, and eight Teaching Awards.

IJSIMR feels it as a pride to have him as a member of Editorial Board and extends it's hearty best wishes to **Prof. Martin Bohner**.
