Dear Readers / Research Scholars,

Often we find people thinking about ‘opportunity’. Opportunity means ‘A good time or chance to do a thing’. It is very essential to fulfill one’s aim or aspiration. Many people lag behind, because they couldn’t get or utilize the opportunity properly. Opportunity comes only once in a way. We have to utilize it without fail. Or else we have to repent for a long time. All the great people who created successful records in the history utilized the opportunities in time and proved their mettle. This phenomenon holds good in any walk of life. So my dear readers and research scholars let us not miss the opportunity and feel sorry afterwards.

We have to utilize it carefully at once”**
